Staff Working Document on Nautical Tourism

SWD (2017) 126

Promoting our cultural heritage

1. Thematic Routes on Underwater Cultural Heritage
2. Thematic Nautical Routes for Europe

Thematic Routes on Underwater Cultural heritage

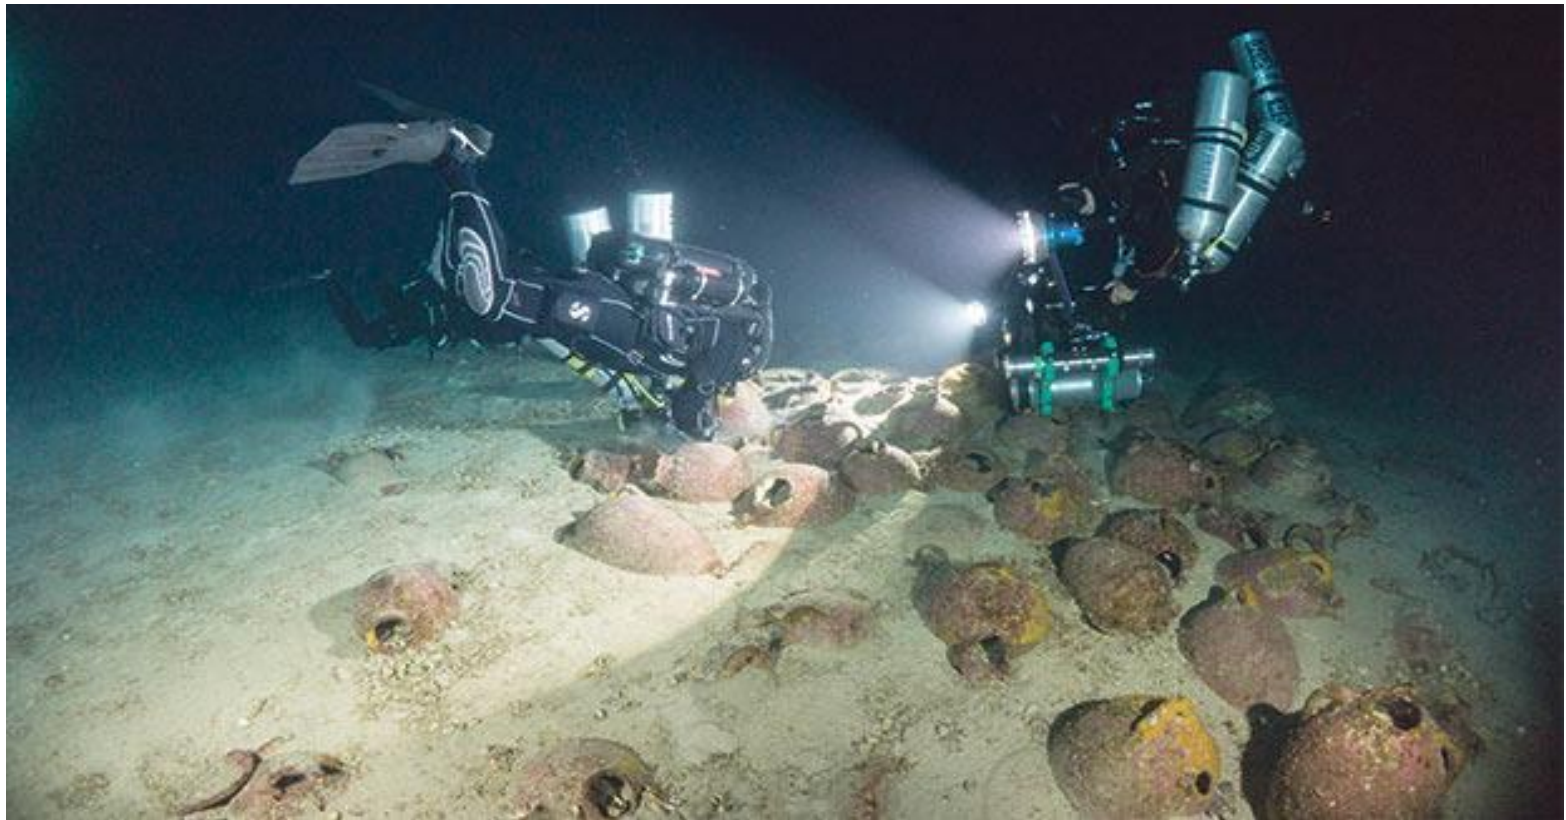

Create thematic touristic route on underwater archaeological heritage

- Raise awareness
- Promote preservation
- Enhance diversification in tourism offer

Our underwater cultural heritage

Phoenician shipwreck off the coast of Gozo

Nautical Routes for Europe

Create transnational touristic itineraries that promote cooperation between coastal regions on the theme of nautical tourism

Conclusion

Promote the European cultural heritage through small transnational projects that will enhance cooperation between coastal regions and promote awareness for the preservation of this heritage
